
SKILLS

Languages: Python, SQL

Frameworks: Pandas, Numpy, Scikit-Learn, Matplotlib.

Tools: Excel, Power BI, PowerPoint, Tableau, MySQL.

Platforms: Jupyter Notebook, Visual Studio Code, IntelliJ IDEA.

Soft Skills: Data Scraping, Report Building, Strong Stakeholder management, People Management, Excellent Communication.

WORK EXPERIENCE

DATA ANALYST INTERN | MAXYGEN TECHNOLOGIES

Jan 2025 - Present

- Completed a paid 6-month internship, gaining hands-on experience in data analysis tools and techniques.
 - Learned everything from basic to advanced concepts, including data wrangling, visualization, and reporting using Power BI.
 - Worked on real-world datasets to uncover trends, build visualizations, and assist in decision-making processes.
 - Collaborated with senior analysts, contributing to meaningful projects and improving reporting workflows.
 - Developed 20+ visualizations using Matplotlib & Seaborn, boosting team insights and communication clarity by 60%.
-

PROJECTS:

BLINKIT SALES & OUTLET PERFORMANCE ANALYSIS

Tools: Power BI, SQL, Excel

- Analyzed \$1.20M total sales, with an average sale of \$141 across 8,523 items.
 - Improved data accuracy by 100% through data cleaning and transformation.
 - Identified Tier 3 as the highest-performing location, contributing 39.3% (472K) of total sales.
 - Evaluated outlet efficiency: Small (42.27%), Medium (37%), High (20%) sales contribution.
 - Optimized dashboard visuals, improving decision-making efficiency by 30%.
-

IPHONE SALES ANALYSIS DASHBOARD | POWER BI

Tools: Power BI, DAX, Excel

- Built a dynamic Power BI dashboard to compare iPhone 14 vs iPhone 15 sales across 10 countries.
 - Modeled data using fact and dimension tables; applied DAX for dynamic sales insights.
 - Identified an overall 4.26% sales decline, with key growth in Brazil (+19.69%), Germany (+15.51%), and India (+11.26%).
 - Highlighted major declines in USA (-32.97%) and UAE (-15.30%) to support strategic decision-making.
 - Optimized dashboard visuals, improving decision-making efficiency by 30%.
-

EDUCATION

Integral University

June 2024 - May 2026

Bachelor of Computer Applications (BCA)

Integral University, Lucknow Expected

Graduation: 2026
